SUMMER INTERNSHIP REPORT • 2026
RECRUITMENT & SELECTION.
A Detailed Study of Recruitment & Selection Practices at South Eastern Coalfields Limited (SECL), Bilaspur
PRESENTED BY
SUYASH SONKAR
MBA (HRM)
ACADEMIC INSTITUTION
Department of Management Studies
Guru Ghasidas Vishwavidyalaya, Bilaspur
HOST ORGANISATION
South Eastern Coalfields Limited (SECL)
Subsidiary of Coal India Limited • Ministry of Coal, Govt. of India
INTERNSHIP PERIOD: 25 JUNE 2026 - 24 JULY 2026
MBA - HUMAN RESOURCE MANAGEMENT
ACADEMIC SESSION 2026-2027

EXECUTIVE SUMMARY.

INTERNSHIP STUDY OVERVIEW

HOST ENTERPRISE South Eastern Coalfields Limited	**TRAINING PERIOD** 25 June – 24 July 2026
DEPARTMENT HR&A / HR P&A	**MAIN FOCUS** Recruitment & Selection
CORE LEARNING Manpower Planning & Admin	**EXPOSURE WINGS** EE (7d) • Manpower (7d) • IR (7d) • HRD (9d)

EE — 7 Days — **Employee Admin.** — Service records & transfers

→

Manpower — 7 Days — **Manpower Cell** — Planning & intake cases

→

IR — 7 Days — **Industrial Rel.** — Employee relations & harmony

→

HRD — 9 Days — **HR Development** — Induction & training (MDI)

Connected HR System:

Recruitment connects directly with manpower planning, employee administration, industrial relations, and training through practical departmental rotation.

● CADRE GOVERNANCE ●

Field observation of executive service book administration and technical competency certification under Coal India guidelines.

30+
DAYS TRAINING DURATION

4
CORE HR WINGS ROTATED

100%
PRACTICAL DESK EXPOSURE

38,000+
WORKFORCE GOVERNED

MINIRATNA CAT-I PSU | EST. 1985 • BILASPUR (C.G.) | 176.28 MT COAL OUTPUT

ORGANISATION PROFILE — SECL.

CORPORATE IDENTITY & ENTERPRISE SCALE

CORPORATE HEADQUARTERS
Bilaspur, Chhattisgarh (SECL Bhawan, Vasant Vihar)

ESTABLISHMENT & STATUS
1985 • Premier Miniratna Category-I PSU

APEX PARENT ENTERPRISE
Subsidiary of Coal India Limited (Ministry of Coal, GoI)

GEOGRAPHICAL FOOTPRINT
Command area spread over Chhattisgarh & Madhya Pradesh

OPERATIONAL CAPACITY & PRODUCTION PROFILE

Workforce: ~42,000+ (Indicative / Unverified Industry Est.)

176.28 MT	57 Mines	13 Areas	Gevra / Dipka
176.28 MILLION TONNES — FY 2025-26 COAL PRODUCTION	57 OPERATING MINES (AS OF 31 MARCH 2025)	13 OPERATING AREAS	ASIA'S MEGA OPENCAST PITS
Annual Output	38 Underground • 19 Opencast	Decentralized Management	High-Capacity Mining Assets

COAL RESERVES INVENTORY — As of 1 April 2024

92,240.65 Million Tonnes

Geological coal reserves across Chhattisgarh & Madhya Pradesh coalfields

KEY EMPLOYEE GROUPS & CADRES

CORE MINING & TECHNICAL CADRE:

Mining Engineering | Excavation & HEMM | Electrical & Mech. | DGMS Mine Safety | Survey & Geology

PERSONNEL & GOVERNANCE CADRE:

HR & Administration | Manpower Planning | Industrial Relations (IR) | HRD & Training (MDI) | Legal & Land Loser Cell

COMMERCIAL, MEDICAL & SUPPORT:

Finance & Accounts | Medical & Hospital Services | Materials Management | CSR & Community Welfare | Systems & IT

CORPORATE HEADQUARTERS SECL Headquarters, Vasant Vihar, Bilaspur (C.G.) — Central administrative nerve center managing HR&A, manpower governance, and 13 operating areas.

MEGA PRODUCTION ASSET Gevra & Dipka Mega Opencast Mines — Among the highest-producing coal mining complexes in Asia, driving SECL's 176+ MT annual output.

4 CORE DEPARTMENTS

MDI BILASPUR TRAINING

DEPARTMENTAL EXPOSURE & ROTATION

EE — 7 Days

Employee Administration

EXECUTIVE ESTABLISHMENT

- **Transfer documentation:** Checking transfer orders, movement files, and posting records across 13 areas.
- **Checking & arranging papers:** Systematically organizing executive service documents and credentials.
- **Record maintenance & document movement:** Tracking file movement and maintaining service book continuity.

Manpower — 7 Days

Workforce Planning Cell

RECRUITMENT & CASEWORK

- **Recruitment-related cases:** Processing vacancy requisitions and sanctioned post limits.
- **Promotion-related cases:** Scrutinizing eligibility lists and internal progression files.
- **Landowner employment cases:** Verifying employment claims under state R&R policy.
- **Compassionate appointments:** Handling death-related cases under NCWA Clause 9.3.0.
- **Land/lease matters:** Reviewing land acquisition compensation and lease documentation.

IR — 7 Days

Industrial Relations

EMPLOYEE & UNION RELATIONS

- **Employee-management relationships:** Observing bipartite meetings, Joint Consultative Committees, and union dialogue.
- **Workplace communication & harmony:** Understanding grievance redressal procedures and statutory welfare under Mines Act 1952.

HRD — 9 Days

HR Development

TRAINING AT MDI BILASPUR

- **Training:** Studying technical refresher modules, managerial courses, and executive programs at MDI Bilaspur.
- **Induction:** Observing orientation modules for newly joined Management Trainees.
- **Employee development:** Building organizational capability and fulfilling DGMS safety training standards.

Rotational Learning Takeaway:

30-day desk exposure across EE (7 days), Manpower (7 days), IR (7 days), and HRD (9 days) provided authentic, practical insight into public-sector HR operations.

9-STAGE HIRING PIPELINE

RECRUITMENT & SELECTION PROCESS.

1 Manpower Requirement → 2 Job Analysis → 3 Job Specification → 4 Recruitment → 5 Screening → 6 Selection → 7 Appointment & Joining → 8 Employee Admin → 9 Induction & Dev.

9 SYSTEMATIC STAGES

Recruitment & Selection Pipeline

01 Manpower Requirement
Identify sanctioned vacancies based on retirements and coal output targets.

02 Job Analysis
Define key duties, tasks, reporting lines, and mine safety conditions.

03 Job Specification
Specify required educational degrees, DGMS safety certificates, and experience.

04 Recruitment
Publish vacancy notices in Employment News, national media, and CIL portal.

05 Screening
Scrutinize applications, verify eligibility, and apply reservation rules.

06 Selection
Conduct Computer Based Tests (CBT), panel interviews, and Initial Medical Exam (IME).

07 Appointment & Joining
Issue formal appointment orders and complete area joining formalities.

08 Employee Administration
Create EE executive service book and maintain personnel records.

09 Induction & Development
Conduct induction and technical training at MDI Bilaspur.

CORE PRINCIPLE

"Recruitment starts with clear job analysis and approved vacancies; selection strictly checks candidates against predefined job specifications."

Job Analysis (About the Job)

ILLUSTRATION: SECL ASST. MINE MANAGER

- **Key Duties:** Supervising shift operations in open-cast mines, managing machinery dispatch, and safety monitoring.
- **Safety Responsibilities:** Ensuring strict compliance with DGMS safety rules and the Mines Act 1952.
- **Working Conditions:** Rotating shift work, active open pit mining environment, and heavy machinery operations.

Job Specification (About the Person)

CANDIDATE QUALIFICATION BENCHMARK

- **Education:** Degree in Mining Engineering (B.E. / B.Tech) from an AICTE recognized institution.
- **Statutory Certification:** Valid Mine Manager's Certificate of Competency issued by DGMS.
- **Physical Fitness:** High medical and physical fitness standards under Mines Rules 1955.
- **Key Skills:** Decision making, safety awareness, leadership, and effective team communication.

Medical Fitness Requirement:
In mining operations, selection is not only based on marks. Every selected candidate must pass the Initial Medical Examination (IME) under the Mines Rules 1955 before joining.

DEMAND-DRIVEN STRATEGY | SECL MANPOWER MATRIX

MANPOWER PLANNING & GAP FORMULA.

4 CORE QUESTIONS OF MANPOWER PLANNING

Upstream workforce assessment before any recruitment begins

HOW MANY?
Calculating sanctioned posts vs current working employees across all 13 operating areas.

WHAT SKILLS?
Identifying required technical qualifications, DGMS safety certificates, and job skills.

WHEN NEEDED?
Planning hiring timelines based on upcoming retirements and annual coal production targets.

WHERE DEPLOYED?
Allocating workforce between Bilaspur headquarters and remote opencast or underground mines.

Core Manpower Principle:
Recruitment in a PSU cannot operate in isolation; it must strictly be authorized by approved manpower budgets and sanctioned cadre limits.

GAP FORMULA & SECL INTAKE PATHWAYS

Mathematical foundation and actual induction pathways at SECL

MANPOWER GAP FORMULA

Required Workforce − **Available Workforce** = **Manpower Gap**

Determines net hiring or redeployment needs based on retirements, expansion, and sanctioned limits.

SECL 4 WORKFORCE INTAKE PATHWAYS (OBSERVED IN PRACTICE)

1. **CIL Open MT Exam:** Centralized national CBT and campus hiring
2. **Internal Promotion:** Departmental career progression for existing staff
3. **Land Loser Employment:** Jobs under state Rehabilitation & Resettlement (R&R)
4. **Compassionate Appointment:** Dependent jobs under NCWA Clause 9.3.0

DEPARTMENTAL ROTATION | PRACTICAL DESK WORK

INTERNSHIP WORK & PRACTICAL LEARNING

PRACTICAL LEARNING & DESK EXPOSURE

Operational HR exposure across documentation, casework, employee relations, and training

1. DOCUMENTATION & RECORD MANAGEMENT

- **Service Books & Records:** Observed executive service records, leave ledgers, and pay-fixation entries in EE.
- **Transfers & Postings:** Studied transfer orders, joining reports, and movement tracking across 13 areas.
- **Document Continuity:** Checked note-sheets, arranged papers, and tracked file movement.

2. UNDERSTANDING MANPOWER CASES

- **Sanctioned Post Reviews:** Compared actual working staff against approved manpower limits.
- **Landowner Employment:** Observed employment files under state Rehabilitation & Resettlement (R&R) policy.
- **Compassionate Appointments:** Studied dependent employment files processed under NCWA Clause 9.3.0.

3. EMPLOYEE RELATIONS

- **Management-Union Relations:** Observed Joint Consultative Committee meetings and union correspondence in IR.
- **Workplace Harmony:** Studied formal grievance handling procedures and dispute resolution methods.
- **Statutory Compliance:** Examined welfare and working conditions under the Mines Act 1952.

4. TRAINING & DEVELOPMENT

- **Induction Programs:** Observed orientation modules for newly joined Management Trainees at MDI Bilaspur.
- **Technical Upskilling:** Studied annual training schedules and equipment refresher courses.
- **Safety Certification:** Observed mandatory mining safety training compliance under DGMS guidelines.

Practical Learning Takeaway:

Observing real files showed that public sector HR relies on careful documentation, official approvals, and clear rules rather than informal decisions.

CHALLENGES & KEY FINDINGS.

CHALLENGES

- 01 Limited internship duration.
- 02 Different departmental processes.
- 03 Confidentiality of HR records.
- 04 Limited access to internal recruitment statistics.

KEY FINDINGS

1. Recruitment is connected with manpower planning.
2. Recruitment and selection are different processes.
3. HR functions depend on coordination.
4. Employee administration continues after selection.
5. Training supports employee development.

CONCLUSION.

RESEARCH SYNTHESIS

EXECUTIVE INTERNSHIP CONCLUSION

“My summer internship at SECL helped me understand recruitment, selection, manpower planning and other HR functions. Through departmental exposure, I learned about documentation, employee relations, employment-related cases and training. The internship connected my academic knowledge with practical HR activities and improved my understanding of Human Resource Management.”
